

CHILDREN'S HOUSE SUMMER PROGRAM 2026

June 15 - August 21, 2026	Open to Thacher students and the General Public
Full Day: 8:30 a.m. - 3:00 p.m.	\$585/ week \$470/ week of June 15 and June 29
After Care: 3:00 - 4:30 p.m.	\$175/ week \$140/ week of June 15 and June 29

Dance into Summer: June 15 - June 18 (closed June 19)

Step to the beat and move with the music! Children will discover rhythm through hands-on instruments, dancing, and joyful self-expression.

Island Explorers: June 22 -26

Learn about jungle habitats and discover the wonders of tropical environments! Throughout the week, children will explore island ecosystems and the amazing animals that live there.

Play Ball!: June 29 - July 2 (closed July 3)

Discover the basics of sports like baseball and soccer through fun, age-appropriate games and activities. It's a week full of movement, skill-building, and fun!

Storybook Adventures: July 6 -10

Step into a world of classic storybooks and imagination. Join us for a week of read-aloud stories, simple crafts, and creative play.

Water Week: July 13 -17

Stay cool in the middle of summer with this week full of water activities, including sink-and-float, ice melt, and outdoor sprinkler fun.

Animal Planet: July 20 -24

Join us as we explore the amazing creatures of the animal kingdom. Children will learn about birds, mammals, and amphibians while discovering the habitats they call home.

Creative Expressions: July 27 - 31

Let your imagination run wild during this arts and crafts week. Through collages, clay, and bead stringing, children will create unique pieces to take home.

Trains, Planes, and Automobiles: August 3 - 7

Join us for a week of transportation exploration! Discover how trains, planes, cars, and construction vehicles move and work through hands-on activities and sandbox play.

Farm to Table: August 10 - 14

Discover the joy of cooking as we prepare and taste a variety of recipes using fresh ingredients from our community garden, while trying new foods and flavors along the way.

Brick & Block Creations: August 17 - 21

During this creative building week, children will use LEGO® bricks and blocks to bring their ideas to life. Through guided activities and free-build time, they will create and take home a special creation at the end of the week.
